Mission: Provide Youth with the resources and services to succeed so that we can prevent and eliminate youth and family homelessness.

Background: In round 3 of YHDP, The U.S. Department of Housing and Urban Development (HUD) awarded \$75 million to end youth homelessness in 23 local communities across the country. Honolulu was awarded \$3.8 million to plan and implement a youth homeless system on O‘ahu.

The goal of the YHDP is to support communities in the development and implementation of a coordinated community approach to preventing and ending youth homelessness, and sharing that experience with and mobilizing communities around the country toward the same end. The population to be served by this demonstration program is youth experiencing homelessness, including unaccompanied and pregnant or parenting youth, where no member of the household is older than 24.
