

STATEWIDE HOMELESS AWARENESS CONFERENCE Ho'ohana

"Working With Purpose"

PLEASE JOIN US for a full day of networking and how to better serve those experiencing homelessness in our State.

KEYNOTE SPEAKER
CHRISTOPHER G. MILLER

Christopher G. Miller is an NVC Compassionate Communication Practitioner who facilitates Nonviolent Communication (NVC) trainings, practice groups and restorative justice circles since 2004. He organizes NVC events and is currently involved with a state-wide effort to bring NVC into schools. His non-profit, Aloha Center, is an ardent supporter of NVC in Hawaii. NVC is a simple method of communicating that helps us to avoid triggering a defensive reaction, and instead stimulate understanding and agreement. Instead of habitual, automatic reactions, our words become conscious responses based firmly on awareness of what we are perceiving, feeling, and wanting. In light of the homelessness issues within our state, NVC can help communities address homelessness through empathetic listening, collaboration, and establishing mutually satisfying outcomes.
